

Annual CMHR Training Retreat

May 3, 2016

Location: UCC Rm 41

Tuesday May 3, 2016 – Mandatory CMHR Training Retreat				
Time	Session	Description	Room	Speaker
10:00 am	A	<p>Trainee Townhall</p> <p>The Directors of CMHR will present you with the history of the training program, how we got to where we are now, and discuss where to take the program in the future. Specific topics could include CMHR courses, workshops, seminars, etc. Our goal is to solicit your feedback regarding the value of specific components of the program, highlight trainee leadership opportunities, and to help shape the future of the program.</p>	UCC 41	Birmingham/ Seguin
11:00 am	B	<p>Writing Scientific Summaries for the Lay Audience</p> <p>The writing workshop will be led by Dr. Jim Dickey (Chair of Communications for the Bone and Joint Institute) and will focus on "Effective Writing for the Media". Our goal is to develop your skills to effectively communicate your research to the general public, focusing on how to summarize your research findings for the media.</p>	UCC 41	Dickey
