

Kairos Blanket Exercise Workshop Responsibility & Action

Join us for the second workshop in 2021 hosted by BJI's Get Everyone Started – Indigenous Training Initiative (GEt'S-IT) Program

The blanket exercise is an experiential learning activity created by KAIROS, an ecumenical, social justice initiative and joint venture of the United Church of Canada. The exercise takes a small group of participants through the history of the colonization of Turtle Island to better understand the ongoing impact of Canadian government policies, institutions, and colonial ideologies, and their intergenerational effects on Indigenous Peoples and communities.

This participatory 3-hour virtual workshop is a great introductory learning opportunity to initiate and engage participants in difficult conversations using holistic learning approaches that engage the body, mind, heart and spirit.

Join the Office of Indigenous Initiatives' Curriculum and Pedagogy Advisor, **Sara Mai Chitty**, and Elder **Maryanne Kechego** for this BJI special event.
